As the company has recently come up with its IPO and have sufficient funds to broaden the working horizon of the company and grab the opportunities available in the sector.

The proposed amendment is intended to diversify and broaden the business operations of the Company. Specifically, it includes expanding into electronic toll collection systems, way side amenities, to participate in and execute infrastructure projects under the Hybrid Annuity Model (HAM), Build- operate- Transfer (BOT) projects, hydro and solar energy projects, labor contract services and various infrastructures development initiatives. This strategic move aligns with our vision of becoming a leading player in the infrastructure and renewable energy sectors, leveraging emerging market trends and technological advancements. Amending our main objects to reflect these expanded activities ensures compliance with regulatory requirements and demonstrates our proactive approach to business development. This amendment will also enhance our competitiveness in bidding for diverse and larger scale projects.

The proposed amendment is a strategic initiative aimed at expanding our business horizons and positioning SRM Contractors Limited for long term growth and success. The Board recommends that shareholders approve this amendment to facilitate the Company's continued development and competitiveness in the evolving market Landscape.

The Board of Directors recommends the Special Resolution as set out at item no. 1 of the Notice for the approval by the Members.

None of the Directors, Key Managerial Personnel or their relatives are, financially or otherwise, concerned or interested in the said resolution.
